

NOTIFICATION OF INTENT TO CLOSE

This is intended to serve as the Notification of Intent to Close the Effluent Holding Ponds D/E Cell. This notification is made in compliance with the specific requirements of §257.102(g).

The certification by a qualified professional engineer for the design of the final cover system as required by §257.102(d)(3)(iii) is included in the Written Closure Plan for the impoundment, which was previously placed in the facility's operating record and posted to the publicly accessible internet site.
