

NOTIFICATION OF INTENT
ASH BASIN 1
Montour Steam Electric Station (Montour, LLC)
Derry Township, Montour County, Pennsylvania
U.S. EPA Coal Combustion Residuals Rule

November 25, 2020

NOTICE

Montour, LLC (Montour) has requested to be allowed to continue to place certain CCRs and non-CCR wastestreams in operating Basin 1 (approximately 155 acres) after April 11, 2021 in accordance with the requirements of § 257.103(f)(2) – *Permanent Cessation of Coal-Fired Boiler(s) by a Date Certain*. To qualify under this paragraph, all of the criteria specified in § 257.103(f)(2)(i) through (iv) have been met:

- (i) *No alternative disposal capacity is available for certain CCR and non-CCR wastestreams -*
- (ii) *Potential risks to human health and the environment from the continued operation of the CCR surface impoundment have been adequately mitigated*
- (iii) *The facility is in compliance with all other applicable requirements of 40 C.F.R. Part 257, Subpart D.*
- (iv) *The facility must cease burning coal and close the Basin by a date-certain*

Review the Alternative Closure Demonstration for more information. This notification fulfills the requirement outlined in 40 CFR § 257.103 (f)(2)(viii) and has been placed in the Montour CCR Rule operating record (followed by posting on the Montour CCR Rule website).
